Yes, all scholarship applicants must be interviewed! We want to get to know you better. Interviews will be held in March and April. You will be notified by mail and/or phone of your interview time and date.

This interview will be conducted by members of our community.

This is also a good time for you to bring in any missing information, or update the information you have already submitted (examples: updated report card, change in phone number or mailing address, student aid report, financial aid packages, etc.)

Essays MUST be submitted with your application and will not be accepted at the interview.

What are you looking for in a scholarship essay?

The required essay is the main element of your application that tells the interviewers about you. Make your essay personal, clear and concise. It is best to type your essay, if possible, using a 12-point font, double spaced. The essay must be between 300 and 500 words. The essay we receive must reflect the topic we outlined in the application itself. Please **do not** send us an essay that you have previously written for college admission. Essays **MUST** be submitted with your application.

What is a SAI and why is it so important?

SAI stands for Student Aid Index. The SAI is the amount of money your family will be expected to contribute to your education. The SAI can be found on your FAFSA Submission Summary. This is the report returned to you after you have completed the FAFSA. If you filled out a FAFSA (www.studentaid.gov) online, you will be able to access your account using the username and password you set up to print out your FAFSA Submission Summary.

What happens after I submit my application?

After your application is submitted, you can expect the following to occur:

- ✓ The application will be thoroughly checked to ensure it is complete.
- ✓ Once it is initially reviewed, it is entered into our database and given either a "complete" or "incomplete" status. **It is your responsibility to call us to check on your status.**
- ✓ Scholarship interviews will be scheduled in the months of March and April 2026.
- ✓ Scholarship award letters/denial letters will be sent in May 2026.
- ✓ The Scholarship Awards Ceremony will be held at the end of May 2026.

I haven't received my acceptance letter or student aid report yet, can I still apply?

Yes, you may still apply for the Buffalo Urban League Scholarship; however, you must have a college acceptance letter and your student aid report by the time you are scheduled for your scholarship interview. **Please provide an explanation for any missing items with your scholarship application.**

Who should I ask to write my letters of recommendation?

You should choose individuals who know you well and can write about your skills, accomplishments, ambitions, and abilities. If possible, we suggest that at least one of your recommendations be from a teacher who has taught you coursework that is relevant to your college goals. Letters of recommendation may be submitted separate from the rest of the application package, provided the letters are postmarked by the January 23, 2026, deadline. If you expect your letters of recommendation to arrive under separate cover, then we advise you to call us to ensure we received them.

If I am awarded a scholarship, when and how will I receive it?

We will notify you of our decision by US Mail in May 2026. Your scholarship will be formally awarded at our Annual Scholarship Award Ceremony. At the award ceremony, you will receive further instructions on claiming your scholarship, as well as a Certificate of Accomplishment.

Generally, scholarship award checks are issued once you provide documentation that you are enrolled as a full-time student at a college or university. If you are attending summer classes, you may submit your schedule/proof of enrollment as soon as you receive it; you do not have to wait until the fall to claim your award. Scholarship checks are issued in the scholarship recipient's name; **they are not mailed directly to the college/university** you will be attending.

What if I change my mind about the college I will be attending in the fall?

If you change your mind, you must provide us with the name, address, and telephone number of the college you will be attending, as well as a copy of the acceptance letter. Proof of full-time attendance (class schedule & student ID) must be provided before we can process any payments.

Will I receive the scholarship money directly, or will the scholarship be applied to my tuition?

You will receive a check made out and mailed directly to you. A copy of your award letter will also be mailed to your parent(s) or legal guardian. **It is critical that you inform us of any change in address as soon as possible. If you do not notify us, it could cause lengthy delays in receiving your award.**

Can my scholarship be withdrawn?

The Buffalo Urban League reserves the right to withdraw scholarships if the recipient fails to provide us with proof of college enrollment for the fall semester. In your award letter, there will be information regarding the type of proof that is required as well as the deadline date for submitting this information.

Congratulations on your decision to continue your education!
