Subject: West Seneca East Middle, 2024-25 7th Grade World Language Selection

Dear Parents/Guardians of Current 6th Grade Students,

West Seneca East Middle School's Student Support Center is in the process of developing your child's course of study for seventh grade.

All seventh-grade students are required to take a World Language. At this time, it is important that we know the preference for your child's World Language. Your child has the choice of either French or Spanish. Both languages are designed to provide your son/daughter with the opportunity to explore and expand their knowledge through creative projects, cultural activities, and language immersion.

The link below will bring you to the 2024-2025 7th Grade World Language Selection Form, so that you may select your child's World Language offering. If you have more than one 6th grader, please complete one form for each student. *You do not have to sign into Google.

We ask that you please complete this 7th Grade World Language Selection Form **no later than Tuesday, April 9th.**
